
Highly Toxic Plants

Garden Plants

This list contains garden plants that are highly toxic. Even a small amount may cause serious illness or death. Immediately call the Illinois Poison Center at 1-800-222-1222 if you suspect an exposure from a plant of this list.

Autumn Crocus	Monkshood
Castor Bean	Morning Glory (seeds)
Fall Crocus	Poppies
Foxglove	Wonder Flower
Lily-of-the-Valley	

If you have a plant that is not included on this list, contact the Illinois Poison Center at 1-800-222-1222 to find out if the plant is toxic. Remember: **all** plants can be a choking hazard.
