

Highly Toxic Plants

Trees/Shrubs

This list contains trees and shrubs that are highly toxic. Even a small amount may cause serious illness or death. Immediately call the Illinois Poison Center at 1-800-222-1222 if you suspect an exposure from a plant on this list.

Black Locust	Night Jessamine
Box Thorn	Oleander
Daphne (February)	Periwinkle
Jerusalem Cherry	Yew
Lantana	

If you have a plant that is not included on this list, contact the Illinois Poison Center at 1-800-222-1222 to find out if the plant is toxic. Remember: **all** plants can be a choking hazard.
